A. COLLEGE OF AGRICULTURAL MANAGEMENT AND RURAL DEVELOPMENT (COLARMUD)

Department of Agricultural Administration
PGD, Agricultural Administration
M. Agric. and M. Phil., Agricultural Administration with options in:
(i) Human Resource Management
(ii) Organisational Dynamics

Department of Agricultural Economics and Farm Management
M. Sc., Agricultural Economics (Professional)-Weekend
M. Agric & Ph.D., Agricultural Economics with options in:
(i) Agribusiness Management and Finance
(ii) Agricultural Development and Policy Analysis
(iii) Marketing and International Trade
(iv) Consumer Welfare and Food Economics
(v) Cooperative Development
(vi) Environmental and Resource Economics
(vii) Production Economics and Farm Management

Master's in Business Administration (Weekend)

Department of Agricultural Extension and Rural Development
PGD (Weekend)
(i) Agricultural Extension and Rural Development
(ii) Gender Development Studies
M. Sc. (Professional)-Weekend
(i) Rural Sociology and Community Development
(ii) Gender Development Studies
M. Agric. & Ph.D.
(i) Agricultural Extension and Innovation Studies
(ii) Agriculture and Rural Development Studies
(iii) Agricultural Communication
(iv) Agricultural Extension System Management
(v) Subject Matter Extension

Department of Communication and General Studies
PGD
(i) Communication Studies
(ii) Peace and Strategic Studies
(iii) Professional Ethics
(iv) Library and Information Studies
M. Sc. (Professional) PMCS Weekend
(i) Communication Studies
(ii) Security and Intelligence Studies
(iii) Peace and Strategic Studies
M. Sc. (Academic)
(i) Communication Studies
(ii) Peace and Strategic Studies
(iii) Professional Ethics
(iv) Library and Information Studies
(v) Security and Intelligence Studies
Ph.D. Communication Studies

B. COLLEGE OF ANIMAL SCIENCE AND LIVESTOCK PRODUCTION (COLANIM)

Department of Animal Breeding and Genetics (M. Agric and Ph.D)
(i) Animal Biotechnology
(ii) Animal Breeding and Genetics

PGD
Poultry Breeding, Artificial Insemination and Hatchery Management

Department of Animal Nutrition (M. Agric and Ph.D)
(i) Monogastric Animal Nutrition
(ii) Ruminant Animal Nutrition

PGD
Livestock Feed Resources

Department of Animal Production and Health (M. Agric and Ph.D)
(i) Ruminant Production
(ii) Non-Ruminant Production
(iii) Livestock System

Department of Animal Physiology (M. Agric and Ph.D)
Animal Physiology

Department of Pasture and Range Management (M. Agric and Ph.D)
(i) Pasture Production and Management
(ii) Range Management.

PGD
Pasture Production

C. COLLEGE OF ENGINEERING (COLENG)

Department of Agricultural Engineering (M. Eng and Ph.D)
(i) Farm Power and Machinery
(ii) Soil and Water Engineering
(iii) Processing and Storage Engineering

PGD
Agricultural Engineering

Department of Civil Engineering (M. Eng and Ph.D)
(i) Highway & Traffic Engineering
(ii) Structural Engineering
(iii) Water Resources & Environmental Engineering.

Department of Electrical/Electronics Engineering
Ph.D Only
Electrical/Electronics Engineering

Dept. of Mechanical Engineering (Ph.D only)
(i) Thermo-fluids
(ii) Industrial Engineering
(iii) Materials Engineering
(iv) Production Engineering

D. COLLEGE OF ENVIRONMENTAL RESOURCES MANAGEMENT (COLERM)

Department of Aquaculture and Fisheries Management (M.A.F and Ph.D)
(i) Aquaculture
(ii) Fish Nutrition
(iii) Fish Pathology
(iv) Fisheries Management

PGD
(i) Aquaculture and Fisheries Mgt.
(ii) Nutrition & Fisheries Mgt.

Department of Environmental Management and Toxicology
MEMP (Academics)
Environmental Management and Protection
MEM (Professional) Weekend (PT)
Environmental Management

Department of Forestry and Wildlife Management (M.F. and Ph.D)
(i) Agro-Forestry
(ii) Forest Ecology and Conservation
(iii) Forestry Biometric & Remote Sensing
(iv) Forestry Economics and Management

Department of Water Resources Management (M.Sc and Ph.D)
(i) Agrometeorology
(ii) Water Resources Management
(iii) Agrohydrology
(iv) Water Security and Safety Management
(v) Hydrometeorology
(vi) Climate Change and Food Security

E. COLLEGE OF FOOD SCIENCE AND HUMAN ECOLOGY (COFHEC)

Department of Food Science and Technology (M. Sc. and Ph.D)
(i) Food Quality Control & Assurance
(ii) Food Process Engineering
(iii) Food Microbiology & Biotechnology
(iv) Food Processing & Storage Technology

Department of Nutrition and Dietetics (Ph.D)
Nutrition & Dietetics

Department of Home Science and Management (M. Sc. and Ph.D)
(i) Clothing and Textile(PhD only)
(ii) Home Management

F. COLLEGE OF BIOSCIENCES (COLBIOS)

Department of Biochemistry (Ph.D and M.Sc)
Biochemistry

Department of Pure and Applied Botany (M.Sc and Ph.D)
(i) Botany (Plant Physiology)
(ii) Botany (Plant Taxonomy)
(iii) Botany (Cytology & Cytogenetics)
(iv) Botany (Plant Pathology)
(v) Botany (Plant Anatomy)
H. COLLEGE OF PLANT SCIENCE AND CROP PRODUCTION (COLPLANT)

Department of Crop Protection
(M.Agric and Ph.D)
(i) Crop Protection (Entomology)
(ii) Crop Protection (Nematology)
(iii) Crop Protection (Pathology)

PGD
Crop Protection Technology

Department of Horticulture
(M.Agric and Ph.D)
Horticulture & Land Management

PGD
Horticulture

Department of Plant Breeding and Seed Technology
(M.Agric and Ph.D)
(i) Plant Breeding
(ii) Seed Science and Technology

PGD
Plant Breeding and Seed Technology

Department of Plant Physiology and Crop Production
(M.Agric and Ph.D)
(i) Crop Physiology
(ii) Crop Production
(iii) Weed Science

PGD
Crop Production Technology

Department of Soil Science and Land Management
(M.Agric and Ph.D)
(i) Soil Chemistry
(ii) Soil Physics
(iii) Soil Fertility
(iv) Soil Mineralogy
(v) Soil Conservation & Management
(vi) Soil Microbiology & Biochemistry
(vii) Pedology
(viii) Environmental Soil Science
(ix) Land Use Planning & Management

PGD
Soil Management and Land Use Planning
Successful applicants will be contacted by e-mail or telephone. Applicants should visit the PG Application portal (pg.funaab.edu.ng or pgschool.unaab.edu.ng) to commence the process of application. Application cost is Fifteen Thousand five hundred and sixty Naira (N15,650:00) only exclusive of Bank Charges.

Closing date for online Submission of Application for Masters and PGD programmes is Friday, October 07, 2016. Application for Ph.D. is open all year round.

Masters of Veterinary Science (M.V.Sc) and Master of Science (M.Sc) courses are open to: (i) M.V.Sc - Master of Veterinary Science is open to Graduates of Veterinary Medicine of FUNAAB and other University recognized by Senate. Any other qualification adjudged to be equivalent to a DVM by the Senate. Candidates must satisfy any other requirements as specified by the postgraduate school of FUNAAB. (ii) M.Sc - The Master of Science degree is open to Graduates of Biological Sciences of FUNAAB other institutions recognized by Senate. Fellows of the Nigerian Institute of Medical Laboratory Technology or its equivalent may also be considered. Candidates must satisfy any other requirements as specified by the postgraduate school of FUNAAB.

For Doctor of Philosophy (PhD) degree programme, a student must have obtained Master’s degree from the College of Veterinary Medicine of FUNAAB or other University recognized by Senate 3and other qualification adjudged to be equivalent to a Master’s degree by the Senate.

NOTE ALL:

Ph.D. (Doctor of Philosophy) Degree/Programme
